**Kvalificering av klubben för ansökan om projektbidrag
2023-24**

KVALIFICERING AV KLUBB OCH DISTRIKT

Distrikt och klubbar i distrikt som ansöker behöver vara kvalificerade.

Vårt distrikt kvalificerar sig inför varje nytt Rotaryår.

The screenshot displays the Rotary Grant Center interface. At the top, the navigation bar includes 'ROTARY.ORG > My Rotary | Åsa Hörnberg | Sign out', 'Grant Search', and a language dropdown set to 'English'. Below this, the main header features the Rotary logo and 'Grant Center' with links for 'Home', 'Apply for a Grant', 'My Grants', 'My Actions', and 'More...'. The main content area is titled 'Rotary Grants | Grant Center' and features a dark blue header with 'District Number: 2370', 'District Status: ✔ Qualified', and a 'RESOURCES' menu. The central image shows three young women in white school uniforms smiling and looking at tablets. Overlaid on this image is the text 'Rotary Grant Center' and a welcome message: 'Welcome to Rotary grants! As Rotary members, we contribute our skills, expertise, and resources to solve some of the world's most serious problems. From providing clean water in local communities to promoting peace worldwide, Rotary grants can bring your project ideas to life.' At the bottom, a white box contains the text: 'Use the Grant Center to apply for a grant, track its progress, report on it, and search for other grants in your district.'

KVALIFICERING AV KLUBB FÖR – GLOBAL GRANT

- Klubben behöver vara med på distriktets Global Grant management seminarium i samband med kvalificeringen.
- Fyll i en MoU – görs i samband med ansökan till Global Grant och sedan varje år så länge projektet är aktivt.

CLUB QUALIFICATION MEMORANDUM OF UNDERSTANDING

THE ROTARY FOUNDATION

1. Club Qualification
2. Club Officer Responsibilities
3. Financial Management Plan
4. Bank Account Requirements
5. Report on Use of Grant Funds
6. Document Retention
7. Reporting Misuse of Grant Funds

1. Club Qualification

To participate in Rotary Foundation grants, the club must agree to implement the financial and stewardship requirements in this memorandum of understanding (MOU) provided by The Rotary Foundation (TRF) and to send at least one club member to the district's grant management seminar each year. The district may also establish additional requirements for club qualification and/or require its clubs to be qualified in order to participate in district grants. By completing these requirements, the club becomes qualified and eligible to participate in Rotary grants.

KVALIFICERING AV KLUBB FÖR – DISTRICT GRANT

- Klubben behöver vara med på distriktets Global Grant management seminarium i samband med kvalificeringen.

Räcker med att vara med vart tredje år enligt vår District Grant policy.

District Grant Policy

I enlighet med The Rotary Foundations (TRF) regelverk har vårt distrikt en egen policy för hur delfinansierade projektbidrag via distriktet (District Grant) skall fördelas och hanteras. Projektbidraget avser de medel som disponeras av distriktet för projekt enligt Rotary Foundations SHARE modell.

Följande policy är framtaget av distriktets Rotary Foundation (TRF) kommitté i samråd med distriktets bidragskommitté. Policyn har antagits efter beslut vid distriktsfondens möte 2021-11-09.

1. Följande prioriteringar skall göras vid beviljande av medel till delfinansierade bidragsprojekt:
 1. Olika typer av humanitära projekt kan ingå.
 2. Så många som möjligt av distriktets klubbar engageras i projektet.
 3. Lokala projekt prioriteras, men även internationella projekt kan omfattas.
 4. Projekt som gynnar många individer prioriteras framför de som gynnar få.
 5. Nya projekt prioriteras före "nya faser" i tidigare/ pågående projekt.
2. Klubb skall inom den senaste 3-årsperioden ha kvalificerats enligt modellen för TRF Global Grants.
3. Verksamhetsårets tillåtna hälft av bidragsåterflödet (SHARE) från donationer till Rotary Foundations Årliga Fond används i första hand till att bevilja ansökande projekt istället för att bygga upp DDF (District Designated Fund) reserven.
4. Ansökan om medel till delfinansiering av projekt insändes på särskilt formulär till bidragsansvarig i distriktet senast den 15 oktober genomförandeåret.
5. I ansökan skall klubbinsatsens storlek framgå, vilken skall vara minst lika stor som ansökta medel från projektbidraget via distriktet.
6. När ledningen för distriktets bidragskommitté, bestående av distriktsguvernören, inkommande distriktsguvernören, ordföranden i distriktets Rotary Foundation (TRF) kommitté, bidragsansvarig samt distriktskattmästaren, fördelar bidrag till projekt skall klubbar som före ansökan under de senaste 36 månaderna donerat till Rotary Foundations Annual Programs Fund (APF) "Årliga fonden" prioriteras. Bidragskommittén kan göra undantag från denna regel om den finner ett projekt synnerligen intressant.
7. Rapportering av projekt som erhållit projektbidrag skall sändas till bidragsansvarig i distriktet på särskilt formulär senast 30 juni, genomförandeåret. Samma Rotaryår som ansökan gjordes.
8. Klubben är skyldig att återbetala utdelat bidrag om slutrapportering inte inkommit senast 31 december Rotaryåret efter genomförandeåret.

Om rapportering inte sker enligt ovan kan distriktet anmäla klubben till Rotary Foundation och Rotary International.

Om misstanke finns att missbruk av DDF- medel skett skall en grupp bestående av ordförande i distriktets Rotary Foundation (TRF) kommitté, bidragsansvarig, distriktskattmästaren och en representant från Audit kommittén göra en utredning. Resultatet skall skriftligt dokumenteras och redovisas för distriktets Rotary Foundation (TRF) kommitté.

The image shows a screenshot of the Rotary.org website's Learning Center. On the left, a dark blue sidebar contains a menu with the following items: "Learn by Role", "Learn by Topic", "About Rotary", "Policies & Procedures", "Learning Center", and "Webinars". An orange arrow points from the "Learning Center" menu item to the main content area. The main content area, titled "Course Catalogs", features a grid of course tiles under the heading "Courses by Topic". The tiles are: "About Rotary", "Club Leadership", "District Leadership", "General", "Membership", "Professional Development", "Public Image", "Service", and "The Rotary Foundation". Each tile has a "VIEW" button. A second orange arrow points from the "Service" tile to the "The Rotary Foundation" tile. The top of the page shows the Rotary.org header with the logo, "My Rotary" link, "Donate" and "Join" buttons, and a search icon. The top right corner of the sidebar shows the user's name "Åsa Hörnberg" and a dropdown arrow.

Zoommöte,
Sweden

Välkommen till Grant Management Seminar, för klubbar i distrikt 2370 som planerar att ansöka om ett delfinansierat projektbidrag via The Rotary Foundation, Global Grant eller District Grant.

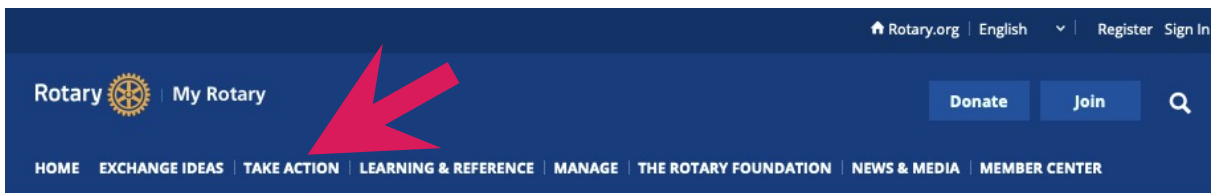

Det går bra att delta även om man inte aktivt har en ansökan på gång.

Mötet är en del av den certifiering som klubben behöver göra - dels med detta möte samt även genom att göra den Grant Management Seminarutbildning som finns på Learning Center på My Rotary. Mer detaljer om den utbildningen får du vid mötet.

Tanken är att det är klubbens kontaktperson för The Rotary Foundation, Club Rotary Foundation Chair, som genomför utbildningen men den är öppen för alla rotarianer.

Mötet är tänkt för klubbens kontaktperson för TRF, Club Rotary Foundation Chair, President samt inkommande president men är även öppen för övriga intresserade.

Mötet är ett webmöte via Zoom, länk skickas ut dagen innan till de som anmält sig till mötet.

Project Lifecycle Resources

From planning and supporting your effort to promoting and evaluating its impact, these resources can help ensure success throughout the lifecycle of your project:

Planning & organizing

Well-planned service projects are more likely to have a strong impact and create effective and transparent communication between your community and club. Every community has its own unique assets and concerns. [Learn about Rotary's six causes](#) to help address some of the world's most critical needs.

Leverage your district's local expertise

Many districts maintain networks of local experts (district resource network) with technical and project-planning expertise. Download our [infographic](#) to take the first step to planning sustainable, successful projects and grants. [Ask your district international service chair](#) to help you get in touch with them early in the planning process and how to [connect with resources to improve projects and global grants](#). Your district or regional experts can serve as advisors to help your club:

- Align a project with Rotary's areas of focus
- Obtain assistance with project design/planning and implementation
- Learn about the global grant process
- Conduct a community assessment
- Identify international partners
- Secure funding
- Ensure the sustainability of the project
- Establish measurement and evaluation benchmarks

You can also identify local and international experts from the Rotary family through your district's resource network, [Rotary Action Groups](#), or the [TRF Cadre of Technical Advisors](#).
