District 2405 Rotary Foundation Committee June 2026

Donations of Rotary clubs in our district 2405

Donations to funds of the Rotary Foundation (TRF) make the World a better place. Every Rotarian should donate to TRF. Any amount, big or small, of your voluntary contributions counts. Our donations to the Annual Fund are co-funding District and Global Grant projects of our own district as well as Global Grant projects and other Rotary programs worldwide. Donations to PolioPlus Fund finance top priority project of Rotary - eradication of poliomyelitis.

Remember: only our voluntary donations to TRF funds impact the world outside Rotary!

Rotary year 2025-2026 in sense of donations of our Rotarians was not as good as the previous year, 2024-2025. Unfortunately, the number of non-contributing clubs has grown too:

Parameter	RY 2024-2025	RY 2025-2026
Total amount of donations to PolioPlus Fund	$72,163	$34,566
Total amount of donations to Annual Fund	$19,385	$28,294
Number of non-contributing clubs	16	21

Only 25 clubs (out of 64) have donated to the Annual Fund. Table below shows clubs who donated more than $10 per member:

Global Grants

Our donations to the Annual fund are invested for 3 years in short-term securities and after that the resulting amount of money is split in 3 parts:

- 47.5% is available to our district as so-called District Designated Funds (DDF), which we can use to co-finance our club projects (up to 50% of the DDF) and participate in Global Grant projects with the remaining amount;
- 47.5% is transferred to the World fund which co-funds Global Grant projects and finances other Rotary programs;
- 5% is left for TRF administrative expenses.

Active Global Grants of our district are as follows:

GG2572370	Rehabilitation equipment for Chernihiv Hospital in Ukraine
Host club	Kyiv-Capital RC (Ukraine)
International partner	Lindesberg RC (District 2335, Sweden)
Funding	1 club and 4 districts (our D2405 donated $3,000 from DDF)
Total funding $32,900	Status: Approved 02.04.2025, paid
